

4×4 Paley construction (1)

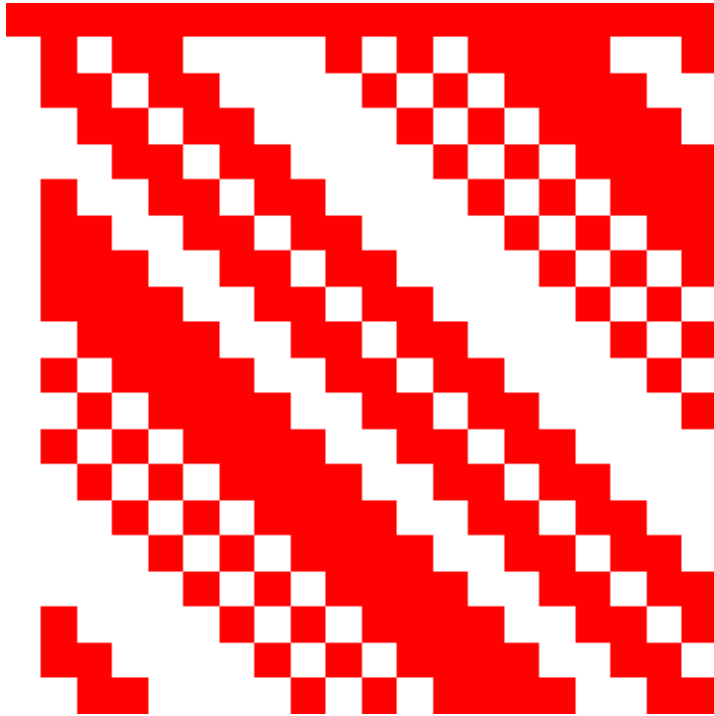

8×8 Paley construction (1)

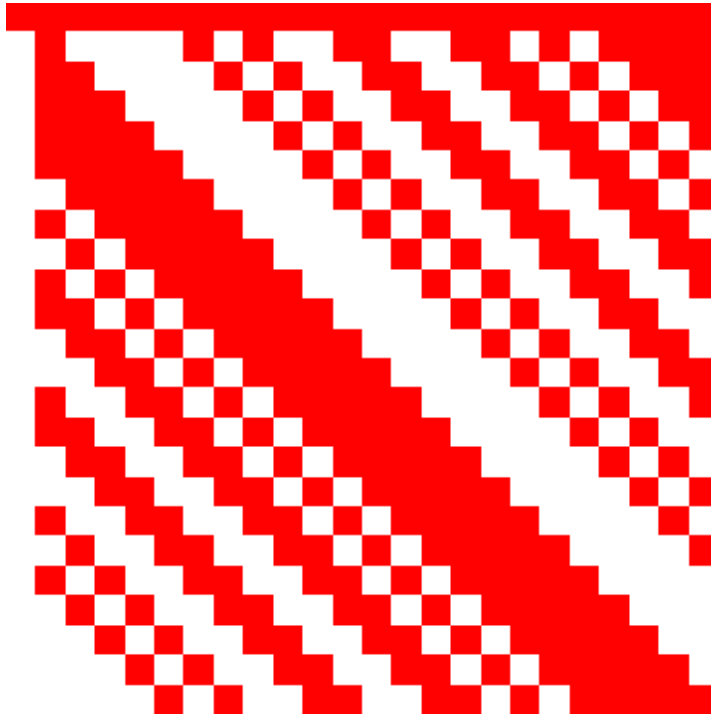

A 20x20 grid of red and white squares. The pattern is complex and non-repeating, with red squares forming a dense, irregular shape that tapers towards the bottom left. The white squares fill the remaining space, creating a high-contrast, pixelated effect. The overall shape of the red area is roughly triangular, with the base at the top and the point at the bottom left.
